AMERICAN ECONOMIC JOURNALS

Continue the Discussion Online

In order to encourage and facilitate the exchange of ideas, the American Economic Journals invite AEA members and contributing authors to participate in online discussion forums. Here you can discuss, ask questions, or post teaching materials, PowerPoint presentations, working papers, datasets, or other materials related to the articles published in any of our four quarterly journals.

Joining the discussion is simple. Go to any American Economic Journal listed on the AEA Journals home page www.aeaweb.org/journals to search and view articles. Visit the summary record and find the "comments" tab to participate in the forum for that particular article.

AEA's JOE NETWORK

*The Preferred Hiring Tool
for the Economics Job Market*

Employers

1,700+
Positions
filled

Candidates

5,000+
From around
the world

Faculty

142,000+
Reference
letter requests

The JOE Network is designed for economists...by economists.

No other placement program offers a more comprehensive way to match high-caliber candidates with sought after economics positions—including secure management of the faculty reference letter writing process.

JOE Network automates all hiring tasks. Users share materials, communicate confidentially, and easily manage their files and data right from the AEA website.

www.aeaweb.org/JOE

ECONOMICS RESEARCH STARTS HERE

Easily Access An Essential Economics Library:

- >> 1.5 million bibliographic records spanning 130 years, with nearly 70,000 additions per year
- >> Optional full-text of over 500 economics journals including all journals published by the American Economic Association
- >> Indexes of journal articles, working papers, PhD dissertations, book reviews, conference proceedings, and collective volume articles
- >> International coverage includes journals published in 74 countries

...includes data sets, JEL classifications, and frequent updates of all the latest economics research.
